

Managing your Prospect List

The dashboard is the starting point for your prospecting activities. You can sort and filter your dashboard to allow you to focus on specific types of prospects. Below are suggestions for managing your prospect list.

What activities are scheduled for today or the next few days?

Stay on task with upcoming activities on your schedule using one of these three techniques:

1. **Use Quick Filter to view today's activities:**

- a. Click the **Quick Filter** button.
- b. Select **Today's Activities** and deselect all other options.
- c. Click **Apply**.

Result: Activities scheduled for today will display.

OR

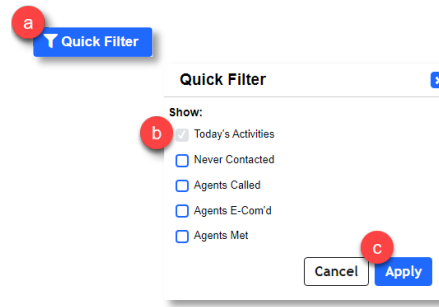

2. **Sort your dashboard to see future activities:**

- a. Click the first **Sort By** drop down and select **Next Activity Date**.
- b. Click the second **Sort By** drop down and select **Ascending**.

Result: Activities are sorted in priority from today forward.

OR

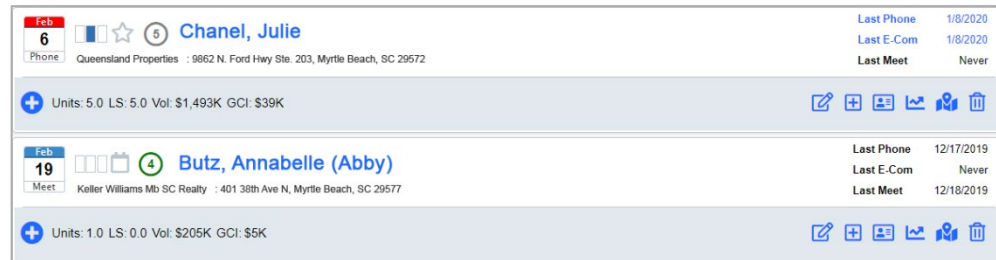

(Continued on next page...)

What activities are scheduled for today or next few days?
(continued)

3. Check your **Upcoming Schedule** to be sure you are staying on task.
 - a. From the **Menu** choose **Upcoming Schedule**.

Result: Your Upcoming Activities are shown in the Agenda view. You can switch to a **Day, Week** or **Month** view in the upper right corner.

Result: Your Upcoming Activities are shown in the **Agenda** view. Use the options in the upper-right corner to switch to **Day, Week, or Month** view, instead.

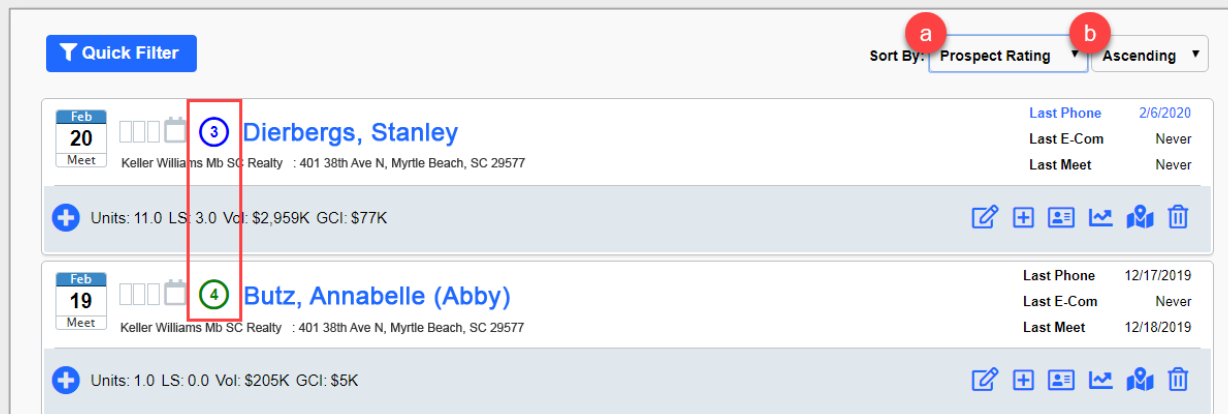

Follow-up on hot prospects.

Sort your dashboard to review those prospects you've rated as a 1 or 2. What additional activities do you need to complete to get these prospects to affiliate you're your company?

- a. Click the first **Sort By** drop down and select **Prospect Rating**.
- b. Click the second **Sort By** drop down and select **Ascending**.

Result: The hot prospects (ratings of 1 or 2) will be at the top of the list.

Prospect Rating

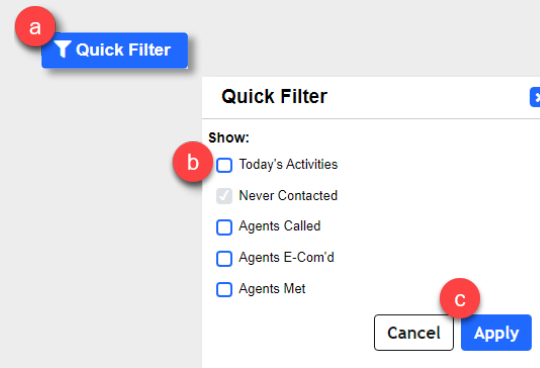

- 1 = 30 days or less
- 2 = 31 – 60 days
- 3 = 61 – 90 days
- 4 = 91 –180 days
- 5 = Not affiliating

Reach out to agents that you've never contacted

Filter your dashboard to see agents who you've not yet contacted.

- a. Click the **Quick Filter** button.
- b. Select **Never Contacted** and deselect all other options.
- c. Click **Apply**.

Result: The prospects who have never been contacted will display.

Reach out to recent producers

Filter your dashboard to see agents with production within the last week. You can even send a congratulatory email from within iProspect. It's a great reason to make contact.

- a. Click the **Show Recent Producers Only** toggle switch
- b. Once turned on, the toggle turns blue.
- c. Click on any of the colored **Production boxes** to see a list of the most recent production.
 - **Red** – Last Sale
 - **Blue** – Last Contract
 - **Green** – Last Listing
